

The Five Stages of Design

transformation

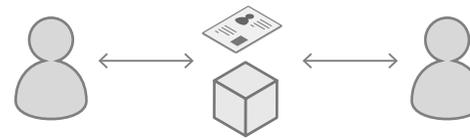

How will we
live tomorrow?

**organisation
system
social**

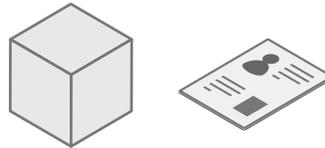

How does it
work between us?
*Who/what is
not integrated?*

**interaction
service
process**

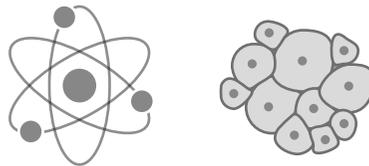

What does it
mean?
*What is
not communicated?*

**product
graphic**

How does it
look?
*What is
missing?*

**meta-materials
physical/biological**

Which materials can we
construct/grow?
